Tender for Supply & Laying of earth strip with all necessary accessories

A. Introduction:

Exhaust and Fuelling Technology Development Division is situated at the Ground floor of R & D lab, IPR, Gandhinagar. It is working for the development of Cryopump and Pellet Injector technologies. Supply and Laying of copper strips with PVC sleeve and earth junction at the different locations with all the necessary accessories is required to be done as per this tender for the various systems inside the lab.

B. Scope of the Work:

- Supply and Laying of 25 × 6 mm copper earth strip in EFTD division at IPR with all the necessary accessories.
- Laying of the earthing strip and type will be finalised by the IPR Engineer-in-charge.
- Number of joints during laying of the strips should be minimum and will be decided by IPR during actual laying process.
- Earthing junction should be installed at a distance of every 3.0 meter or suitable.

- The laying of earth strips shall confirm to Indian Electricity Rules, 1956 as amended from time to time, IS: 3043-1987, IEEE standard 80-1986 and the relevant regulations of the Electricity supply authority concerned and safety codes in the locality where the same shall be installed. All the accessories materials shall be of approved quality acceptable to the IPR.
- The portion of the strip outside the building should be laid below the finished ground level. The portion inside the building should be properly supported with MS clamp.

- All the work should be carried out by vendor during the working days/hours of institute. IPR will provide electricity only.
- Installation shall be carried out in neat, workman like manner by skilled experience and competent workman in accordance with the standard practices.

- The vendor shall keep a competent, qualified experienced and approved electrical engineer at the site who will be responsible for carrying out all the work in accordance with the drawings, specifications, and instruction. All the workmen employed shall be duly qualified and skilled.
- All hardware, including spring washers used for this purpose shall be hot dip galvanized as per IS: 802, or zinc passivated.
- Joints and tapings in the main earth loop shall be made in such a way that reliable and good electrical connections are permanently ensured. All joints below ground and above ground shall be welded and suitably protected by applying bitumen.
- Carrying out excavation, backfilling, cutting, grinding, bolting, and welding works required for laying of the earth strips.
- Deployment of men, transportation of machinery, consumables, welding equipment, and drilling machine necessary for carrying out the job comes under contractor's purview.
- Proper supporting to be done for earth strips so that equal surface level will be maintained. It is also responsibility of the contractor to provide connecting arrangement i.e. holes etc.
- Earth strip should be properly isolated through appropriate sleeve.

- **EC grade certification** is required at the time of delivery.

C. Technical Specification/Compliance

Sr. No.	Specification/Requirements	Vendor's Acceptance
1.	Earth strip material : EC grade Copper	Yes/No
2.	Earth strip dimensions of around 240 m strip of dimensions 25 × 6 mm	Yes/No
3	PVC sleeve for insulating the earth strip for above copper strips	Yes/No
4.	PVC Pipe of around 12 ± 1 m of dimensions 75 × 2 mm for underground laying.	Yes/No

D. Instruction to vendors:

- The work needs to be done should be thoroughly checked by the vendor before offering the quotation.
- Vendor must carry their own welding machine, gases and all the necessary tools to carry out the work at IPR.
- All personnel to be involved in this work order should be trained and should be aware of the safety precautions.
- All the required safety equipment and accessories to the workers will have to be provided by the vendor.
- The working hour will be as per the office timing and no work will be allowed on holidays.

E. Acceptance:

After the completion of the work, IPR personnel will check the work as per the specification and earth resistance testing will be carried out. Then after, the site clearance acceptance will be given.

F. Delivery:

The work must be completed within two months after the receipt of the work order. Before initiating the work at IPR, vendor must intimate one week earlier to enable us the gate pass and site availability.

Note: All images shown are for reference only and for better understanding to the supplier.

Layout of earth strips inside the lab. Two strips for single-phase (green) and three-phase (red) are there in the layout

(This need to be printed in Bidders letter head)

1. Please quote with complete technical details along with technical compliance sheet.
2. Quotation should be submitted in the format given below, else IPR shall not consider the offer by the vendor.

INSTRUCTIONS TO BIDDERS AND TERMS AND CONDITIONS

1. The Quotation and any order resulting from this enquiry shall be governed by our Conditions of Work Order and Contractor quoting this enquiry shall be deemed to have read and understood the same completely.
2. Where counter terms and conditions have been offered by the Tenderer, the same shall not be deemed to have been accepted by IPR unless our specific written acceptance thereof is obtained.
3. **Quotation:** Quotation should be submitted in the prescribed QUOTATION FORMAT attached with this Enquiry and the same should be submitted in a sealed envelope super-scribing the same with our enquiry No., date, due date and brief description of item on or before the due date. Late/delayed/incomplete/unsigned quotations will not be considered. Envelopes received without Enquiry number, date, due date and brief description of item may be rejected. The quoted prices should be firm for a period of 90 days from due date for placing order. IPR is not bound to accept lowest rate/s. IPR reserves the right to place on one or more parties. The scope of supply includes insurance by the Contractor.
4. **Specifications:** Goods should be offered strictly confirming to our specifications/drawings. Deviation, if any, should be clearly indicated by the contractor in their quotation. The Tenderer should also indicate the Make/Type number of the goods offered and catalogues, technical literature and samples, wherever necessary should accompany the quotation. Clarification/s on drawings should be obtained before submitting quotation.
5. **Terms of Prices:** Quotation should be submitted on door delivery basis without extra charge wherever possible. For quotations on Ex-Works, Ex-godown basis the approximate packing and forwarding charges should be indicated by the contractor. In the case of local contractors, the goods are to be delivered at our stores free of charge.
- 5.1 In respect of tenders on Ex-works basis, in case the tenderer has not mentioned in the offer packing, forwarding and transportation charges for safe delivery up to Purchaser's site, 2% of the price quoted towards packing (in respect of both local and outstation firms), 1% of the basic price quoted towards safe delivery charges in respect of local tenderer and 3% of the basic price quoted towards safe delivery charges in respect of outstation firm will be added for comparison of offers on safe door delivery at Purchaser's site.
- 5.2 Prices are required to be quoted according to the units indicated in the tender form/Enquiry. When Quotations are given in terms of units other than those specified in the tender form, relationship between the two sets of units must be furnished
6. Tender should be free from Correction and Erasures. Corrections, if any, must be attested. All amounts shall be indicated both in words as well as in figures. Where there is difference between amounts quoted in words and figures, amount quoted in words shall prevail. Unsigned quotations will summarily be rejected. If there is a discrepancy between the unit price and total price, unit price shall prevail.
7. IPR shall be under no obligation to accept the lowest or any tender and reserves the right of acceptance of the whole or any part of the tender or portion of the quantity offered and the tenderers shall supply the same at the rate quoted.
8. **Goods & Services Tax (GST):** The details of Taxes/GST and other levies legally applicable and intended to be claimed should be clearly indicated in the tender. Where this is not done, no claim on these accounts would be admissible later.

a) GST for Goods (IGST/CGST/SGST TAX BENEFITS):

IPR is entitled to avail tax benefit as per the following notifications issued by Ministry of Finance, Department of Revenue, Government of India:

(1) No: 47/2017-INTEGRATED TAX (RATE) DATED 14/11/17 for IGST

(2) No: 45/2017-CENTRAL TAX (RATE) DATED 14/11/17 for CGST

And,

IPR is entitled to avail tax benefit as per the following notifications issued by Finance Department, Government of Gujarat:

(1) No. 45/2017-STATE TAX (RATE) DATED 15/11/17 for SGST

As per above notifications IPR will bear only 5% IGST for procurement of goods from outside Gujarat & 2.5% CGST and 2.5% SGST (total 5%) for procurement of goods within Gujarat. Vendors are required to charge tax as per these notifications while quoting/supplying the goods. Deviations, (if any) should be clearly mentioned in the quotation/offer.

Please specify the HSN codes while quoting.

b) GST for Services:

As applicable. **Specify the SAC codes wherever services are involved.**

9. **Delivery Date:** Delivery period is essence of the Contract. Contractor must indicate the firm delivery date by which the goods will be dispatched or delivered by them from the date of our order. Delivery period shall be clearly

प्लाज़्मा अनुसंधान संस्थान

- indicated against each item separately.
10. **Price/ Purchase Preference:** Purchase/Price preference to industries will be given as per the policy of the Government of India in force at the time of evaluation provided their offer is in compliance with the conditions of the policy.
 11. **Liquidated Damages:** The successful Vendor/Bidder should pay liquidated damages @ ½% (half percent) of the total work order value for the delay of each week in the scheduled date of completion of the work envisaged in the Work Order subject to a maximum of 5% (Five percent) of the total Work Order value.
 12. **Inspection:** Goods on its arrival at IPR will be inspected by Stores, and his decision in the matter will be final. However, where the items are required to be inspected at the Contractors Premises, Contractor has to give advance notice regarding readiness of the Goods to enable us to depute our representative for inspection.
 13. **Payment:** Payment will be arranged for accepted goods only within 30 days from the date of receipt of goods at IPR and bills in our accounts section, completed in all respects.
 14. No correspondence will be entertained within 30 days from the date of receipt of good and bills, whichever is later.
 15. **Guarantee:** The Stores offered should be guaranteed for a minimum period of twelve months, from that date of acceptance, against defective Goods, design, workmanship, operation or manufacture. For defects noticed and communicated during the Guarantee period, replacement/rectification should be arranged free of cost within a reasonable period of such notifications. In case where our specifications call for a guarantee period more than 12 months specifically, then such a period shall apply.
 16. **Performance Bank Guarantee:** If demanded by IPR, the successful bidder will have to furnish Performance Bank Guarantee for 10% of the order value (basic price) from a Nationalized/Scheduled Bank/State Bank of India, valid throughout the Guarantee/Warranty period. The scheduled banks approved by IPR are Axis Bank, HDFC Bank, ICICI Bank and IDBI Bank. Bank Guarantees submitted other than from banks approved by IPR will not be accepted.
 17. **Security Deposit:** If demanded the successful Bidder will have to furnish to the Purchaser an interest free security deposit for 10% (Ten percent) of the order value in the form of Bank Guarantee of an equivalent amount from a nationalized/ scheduled Bank/State Bank of India within 15 days from the date of work order and the said Guarantee should be valid till the goods are accepted by IPR. The scheduled banks approved by IPR are Axis Bank, HDFC Bank, ICICI Bank and IDBI Bank. Bank Guarantees submitted other than from banks approved by IPR will not be accepted. The Security deposit shall be forfeited in case the selected Bidder does not start the work within the time limit specified or fail to complete the work within the stipulated delivery period or fail to comply with any of the terms and conditions in the work order. On successful completion of scope of work and its acceptance by IPR, Contractor should send a letter requesting return of the original BG.
 18. The Contractor shall at all times indemnify the purchase against all claims which may be made in respect of the stores for infringement of any right protected by Patent Registration of design or Trade Mark and shall take all risk of accidents or damage, which may cause failure of supply from whatever cause arising and the entire responsibility for sufficiency of all means used by him for the fulfilment of the contract.
 19. **Free Issue Material (FIM):** Successful tenderer will have to arrange insurance showing beneficiary as "Institute for Plasma Research" at their risk and cost towards adequate security for the materials/property provided/issued by the Purchaser as Free Issue Material for the due execution of the contract.
 20. The Director, IPR reserves the right to accept or reject any quotations fully or partly or to cancel the enquiry without assigning any reason.
 21. **Jurisdiction:** The contract shall be governed by the Laws of India for the time being in force. The Courts of Gandhinagar only shall have jurisdiction to deal with and decide any legal or dispute arising out of this Contract.
