

6 Steps to help you publish your research efficiently

1

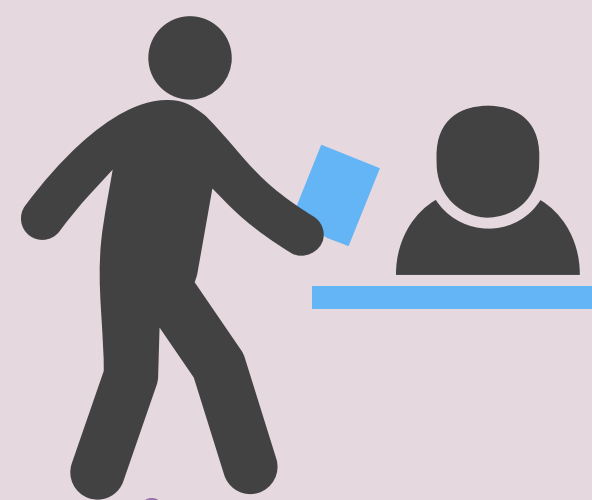

Submit your manuscript for Plagiarism check to the library

2

Broadcast your manuscript on the INTRA portal

3

Submit your manuscript with the publication form to the library

4

Your manuscript is processed for internal review by the library

5

The recommended manuscript is submitted for the Director's approval

6

The approved manuscript is submitted to a Journal/Conference and published internally as RR/TR
